Title: Give Us... **January 31, 2021**
Text: Matthew 6:11

Walk-in: With this portion of the Lord's Prayer we turn a corner. Up to this point in the prayer the focus has been on the Father - His Name, His Kingdom, His Will. Now we will turn to ourselves and others in the next weeks. In this turning we discover that our Father is personally interested in the problems and needs we face in daily life. Let's explore the implications of this prayer portion "Give us today our daily bread."

First, there is the **I**_____ of **P**_____.
"***Give us*** today our daily ***bread.***"

What it means: All the **P**_____ and **M**_____ needs of our life.

What it **doesn't** mean: Bread ain't **C**_____**.**

Then, there is the **I**_____ of **D**_____**.**
"Give us ***today*** our ***daily*** bread."

So what does daily bread living look like? Let me suggest 4 descriptions.

1. It shows up in **G**_____ to the Giver. *1 Chronicles 29:14*

2. It shows up in **C**_____ in the receiver. *Proverbs 30:7-9*

- We demand **D**_____ when God promises bread.

- It shows up in **C**_____ in the Provider. *Philippians 4:19*

  Cf. *Exodus 16* & the people of Israel in the wilderness - quail & manna

  "Plan ahead, but don't **W**_____ ahead." - Take one day at a time.

- It shows up in **G**_____ to those in need. "...*OUR* daily bread"
  Cf. 1 Timothy 6:17-19

Wrap-up: How are you doing in your 'daily bread living'? Is your prayer focused on me/my or our? Do you intentionally pause to ask God for His grace to live daily? Do you find your life characterized by the above descriptions? Perhaps today is a good day to begin a new prayer for success in daily bread living.
