Talking through the message during the week helps you and your Neighborhood Group turn what God is saying to you into action steps. Begin with the key questions, add any optional scriptures and questions if needed, and then wrap up by deciding on your next steps and pray.

We Love Our Neighbor

Discussion Questions

- What part of the message stuck out to you and why?
- Read Luke 10:25-37 together and discuss the passage. Did anything new stick out to you and why?
- How much of the block map were you able to fill in? Did you have any epiphanies as you did so?
- Describe your neighborhood and the relationships you currently have with your immediate neighbors. How about co-workers?
- In Luke 10:29 we see that "… he wanted to justify himself, so he asked Jesus, 'and who is my neighbor?'". In what ways do we attempt to justify ourselves in order to avoid taking the great commandment seriously?
- Consider taking a look at your calendar and do an audit of how you spent your time over the past few weeks. Consider where you can build-in margin. Talk about what this might look like practically.

- Take time to pray for one another, our neighbors, our neighborhoods, our church and our city.
- **Next Step:**

  If you haven't already, fill out and finish your "block map" and place it somewhere you often see (like your refrigerator) and pray for those around you.
